

FRIENDSHIP is...

F aithful hand that holds out  
R egardless of who I am  
I nexpliable comfort  
E specially in sharing my thoughts  
N ever judging what I do  
D efying background differences, you have  
S imply by accepting me  
H onor & respect my friends, I will  
I n all circumstances, if you let me, I will be there  
P romise of an age old commitment, my only humble gift to you ... FOREVER

i wrote this for my buddies who helped out at our wedding in 04 and  
have it craved on acrylic as a table display as a token of appreciation  
for their help :)
