*Hi Valerie,*

I can sense that you have many questions to ask. Lets me answer you one by one.

This is the link to my wedding pictures...”[My Wedding Snapshots](#)” (You may want to view each post separately as the simultaneous running of all slideshows may slow down your computer.)

As for Holiday Inn Park View, you can download 2006 packages from [here](#).

Easy to negotiate perks or not...hmmm...you can read these few posts and then you decide for yourself. [The BIG Surprise HIPV gave us](#), [How we squeezed HIPV dry](#)

As for Seletar Broadway, you can click here [to see our wedding photos](#) .

The service is generally fine (not sure is it because they know that the boss knows me.) Overall, their service is prompt and they call everytime one day before the appointment. As for my photographer.

This was [what happened during our phootshot at Seletar Broadway](#).

As for my Actual Day Photographer, he is Ant and you can see his website [www.antevy.com](http://www.antevy.com) (He left “Let There Be Light and set up “Ant Evy”.)

My only comment for him is “under promise; over deliver” >.<

You can read more about him here [Post 1](#), [Post 2](#) & [Post 3](#).
