Filed under: [Solemnisation](#), [ROM](#), [Invitation](#) — Jhong Ren @ 11:43 pm

1 more month to our wedding...we are busy preparing the **wedding invitation cards**.

There are a few things you need:

1. The guest's name and surname (if applicable)
2. The guest's mailing address (if you are not passing to him/ her personally by hand)
3. A pen to write the names on the inserts
4. A ribbon or string to secure the inserts to the cards
5. Glue to seal the envelope
6. Stamps for those cards to be sent by snail mail
