

Venues for Outdoor photoshoots

Filed under: [Photoshoot](#) — Jhong Ren @ 11:12 pm

I have been receiving emails from readers asking some of the places they can go for outdoor photoshoots.

As for me, I took it at the jetty at Changi Village. At the beach, there is this round bridge surrounding a restaurant shaped like a hut. I think it is just behind the SAF chalet.

The other outdoor venue is NTU at Boon Lay. It is the place where I first met her and so the place is full of memories. We took it at a small hill which locates the Administrative Building.

Some other suggestions for outdoor photoshoots:

1. Punggol lallang field
2. Sentosa (sentosa cove, tanjong beach, orchid garden, asian village)
3. Fullerton...
4. Orchard Road
5. Singapore Arts Museum
6. Botanical Gardens
7. Furama Riverfront (Need to ask permission from hotel)
8. Pulau Ubin and the kelongs
9. Botanical Gardens
10. Changi Beach (carpark 1 & 6)
11. National Museum
12. Raffles Place
13. Supreme Court
14. Kentridge Park (comes with suspension bridge)
15. Telok Blangah Hill Park
16. new Marina South Pier (the one that replace the Clifford Pier)
17. Labrador Park
18. National Stadium before it gets demolished

I have friends in singaporebrides.com forum who shared with me these places. There will be more to come and so I will just add on to the list.

Depends on whether your preference is city view or natural landscape.
